

D R A F T

23 April 1968

SUBJECT: Terms of Reference for the Experimental Community On-Line Intelligence System

REFERENCE: USIB-D-39.1/9 and attachment thereto

1. The Executive Agent will accomplish those actions, consistent with applicable DoD and other regulations or instructions, necessary to the completion of an adequate test of an experimental Community On-Line Intelligence System (COINS).

2. The executive agent will:

- a. Appoint a COINS project manager.
- b. Issue to the COINS manager the attached terms of reference which have been produced in consultation between the Executive Agent and the DCI.
- c. Issue as appropriate for the COINS Experiment and subsequent long range planning, instructions to the sub-system managers of participating agencies and to personnel of other organizations as identified in the reference.
- d. Maintain close contact with and report from time to time as appropriate to the DCI and USIB on progress in the COINS experiment.
- e. Develop and submit to the DCI a Master Plan for the overall COINS program which integrates into a single package the plans, programs and budgets of all the participating organizations including a medium and long range plan.

3. The DCI will as required provide additional guidance to the COINS Executive.
